LA Maintained Schools Renewal Quotes

We are now in the process of sending out the quotes for the financial year 2022 to 2023. Those that have already been sent have gone to the email addresses previously provided by the school. Please do not worry if you have not yet received your quote as this will be with you very shortly.

If the contact details for the school have changed during the last 12 months, please let us know as soon as possible by sending an email to SchoolsITService@suffolk.gov.uk. In order that we can ensure the quotes are directed to that mailbox.

Course Manager & Post-16 Learning Aims – ESS course

Save the date

Academic administrators, exam officers and staff responsible for the Post 16 Learning Aims return. Basic knowledge of SIMS and census would be ideal

This training is normally done face to face over a whole day, due to ongoing uncertainties we have provisionally booked Ralph from ESS to deliver this training over two morning sessions. This training is exclusively for Suffolk LA maintained schools and academies.

Course overview;

This course explores how the Course Manager functionality of SIMS links areas such as Nova-T, academic management and Examinations Organiser, including procedures for supporting the maintenance of post-16 learning aims to ensure the appropriate funding for the school. This course is not suitable for delegates from an independent school.

When : Thursday 14th July & Tuesday 19th July, 9am-12pm

Where : Both sessions will be held online, you will receive an invite prior to the training

Cost : TBC

We will provide further details and how to book when this course becomes available on CPD online.

Attendance Code guidance for School closures on Friday 18th February due to Storm Eunice

The SIMS logo is presented in a white square with a thin black border. The letters 'SIMS' are in a bold, black, sans-serif font, centered within the square.
