The 6 Pillars of the Complete Human Strategy

Pillar One

Relationships and Communication

Strong, trusting and positive relationships based on open, honest and clear communication

Pillar Two

Positivity

Bright, can-do attitudes that aim high

Pillar Three

Time Well Spent

Spending our time productively and making the most of every moment

Pillar Four

Structure & Stability

Systems that work, using evidence to help us succeed

Pillar Five

Expertise

Getting the right information and support to the right people

Pillar Six

Place

The physical environment in which I work and learn, inside, and outside

The 3-tier model: wellbeing for the whole school community

children

families

staff

Tier 1

Reflect - a half termly check in, in each pillar

Tier 2

Review - a full review of all 6 pillars, when needed

Tier 3

React - specialist support
