Certificate

In our report dated 5 June 2023, we explained that we could not formally conclude the audit and issue an audit certificate until we had completed the work necessary to issue our assurance certificate in respect of the Authority's Whole of Government Accounts consolidation pack. This assurance statement has now been issued and the NAO as group auditor has confirmed that no further assurances will be required from us as component auditors of Suffolk County Council.

In addition, we explained that we could not formally conclude the audit and issue an audit certificate until we had issued our Auditor's Annual Report, including our commentary on your value for money arrangements. This report has now been issued.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and no matters have come to our attention that would have resulted in a different opinion on the financial statements or additional exception reporting on significant weaknesses in the Authority's value for money arrangements.

We certify that we have completed the audit of the accounts of Suffolk County Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
