

A12 Major Road Network Improvements

About the proposals

We're consulting on a range of proposals along the A12, between the A14/Seven Hills junction and the A1152/Woods Lane junction. These proposals would help to tackle congestion, provide space for future growth and improve conditions for all road users including pedestrians and cyclists.

These proposals include:

- ➔ New dual carriageway section between the B1438 and B1079 at Woodbridge.
- ➔ Upgrades to key junctions along the A12.
- ➔ Public transport improvements, including a new bus-link, and a new mobility hub in Martlesham.
- ➔ Walking and cycling improvements, including upgrading the existing Martlesham footbridge.

Find out more

Visit www.suffolk.gov.uk/A12MRN to review the proposals and submit your comments.

The consultation is open until the end of Tuesday 29 October 2024.

Return Address
PO Box 780
BURY ST. EDMUNDS
IP33 9NN
