

Hi, I am Ben

Things we may do together...

Answer some questions together

Talk about things that are important to you

Play some games

### Things that are important to me

Family and friends

My dog

Helping others

Having fun

Keeping fit, so I can eat pizza

### Things I enjoy

Skating

Gaming

Music

### People describe me as

Thoughtful

Kind

Funny

Clumsy

This is me!

### My Job

I work with children and young people to find out how we can make school better for them. This includes finding out what you enjoy, what you are good at as well as things that can sometimes be hard.

I use the things we find out together to work with lots of other people to try and make school better for you.

### What happens next?

If you have any questions about me or what we will do together you can write them down or ask someone else to and I will do my best to answer them.

I look forward to meeting you!
