Job Title	Salary	Working pattern	Sector	Skills needed	Pathway	Future employment opportunities Hot job or cold job?
Electrician	£36,920 per year or £710 per week	45 hours a week Employed or self employed	Construction	Attention to detail, some Maths and Science, team working, good with hands, communication	Apprenticeship or vocational course at college	Both! Demand is expected to decline but lots of workers will retire shortly. Electricians have many transferable skills to adapt to use in new technologies
