What's important to me

Professional Values:

- ◆ I am passionate about using creative method to engage and support children, young people and their families.
- ◆ Using person centred, positive approaches to support children and young people I work with.
- ◆ Developing positive relationships and links the people that I work with so that everyone is accepted and included.

Things I enjoy:

- ◆ Being in and around nature
- ◆ Learning new skills and knowledge
- ◆ Reading, playing computer games and watching films.
- ◆ Travelling around England
- ◆ Singing and the theatre
- ◆ Puzzles.

How best to support me:

- ◆ Give me instructions both verbally and in writing.
- ◆ I need time to process information, especially when I'm learning something new or learning new words.
- ◆ My dyslexia sometimes makes it difficult for me to retrieve and remember words quickly, especially if I'm feeling stressed, so I may need help.
- ◆ I sometimes need space on my own to be creative and reflective.
