Villages and Parishes Catchment Area List for the 2025/2026 school year only

We will only provide SCC funded school travel to your child's catchment area school when it is the nearest suitable school to their home that would have had a place available for them and they meet the distance criteria.

It is important that you check which school is your child's nearest suitable school on our <u>Nearest School Checker</u> for the 2025/2026 school year. You can find out which are the three nearest Suffolk schools (based on the statutory walking distance including Public Rights of Way) by putting your child's postcode into the Checker which can be found at <u>nearestschool.suffolk.gov.uk</u>. We update this each year to include new roads and developments.

Suffolk County Council (SCC) Funded School Travel

Please be aware: You **must** consider how your child will travel to and from school **before** you apply for a school place. Further information on how to apply for a school place can be found on the relevant page at <u>www.suffolk.gov.uk/admissions</u>.

Full details about SCC funded school travel, including the School Travel Policy, additional arrangements for low income families and those with Special Educational Needs and Disabilities (SEND), can be found at www.suffolkonboard.com/schooltravel.

Catchment area list

The information given in this list should be used as a guide only and may change. It is correct at the time of publication (08/08/24). For up-to-date information about a particular address, please contact the Admissions Team on 0345 600 0981. It should not be taken to have any definitive administrative or legal significance.

Note 1: This address no longer has a catchment area school as some voluntary aided, free schools and academies do not operate catchment areas to prioritise applications to the school. Please refer to the school's admissions policy for the relevant school year which is available online at <u>www.suffolk.gov.uk/admissions</u> or from the school.

Please note: for villages and parishes, most catchment boundaries follow the parish boundary line. This is not always the same village and parish as the postal address indicates.

| Village Name | Primary School Catchment Area (where relevant) - 2025/2026 school year only | High School Catchment Area (where relevant) - 2025/2026 school year only |
